PELLAGRA AND HOOK WORM

PERMANENTLY CURED

For eight years Dr. W. J. McCreary, a graduate physician, has had the most remarkable success in curing Pellagra and Hook Worm diseases in his practicing territory in southern Arkansas, and now these dreaded diseases are being offered to patients in the active health of the state. These diseases are the most common stages of Pellagra and Hook Worms in the Southern States, and the cure is permanent - not a temporary relief. Patients suffering with one or more of these diseases, and who have been told that they were cured in a few weeks, and are now back to back, find that at intervals are gladly given in these patients of the McCreary.

TREATMENT FREE OF CHARGE FOR THE POOR AND SICK.
WE ALSO DIAGNOSE YOUR CASE AND ADVISE THE CURE.
